

CONGLETON TOWN COUNCIL

COMMITTEE REPORTS AND UPDATES

COMMITTEE:	Town Hall, Assets and Services		
MEETING DATE AND TIME	12 th January 2023 7.00pm	LOCATION	Town Hall
REPORT FROM	Streetscape Development Manager – Ruth Burgess		
AGENDA ITEM REPORT TITLE	14 Battery/ electric operated machinery and vehicles		

Update

Battery/ electric operated machinery and vehicles

We are currently investigating reducing one of our fleet to purchase an electric powered caddy for the use in the park, instead of the Transit van. We have also now purchased a full team set of battery handheld grounds tools, (Hedge cutters, blowers etc) the team will be reporting back on the usage and efficiency of the new tools.

*Costings to be provided at the meeting

Park Vehicle

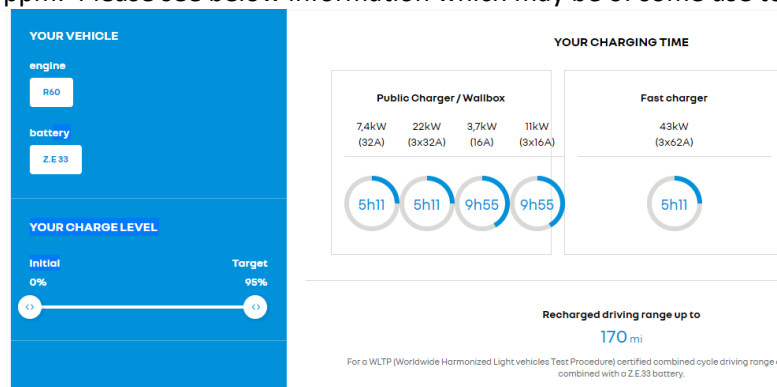

Currently a West Wallasey Transit van is used with in the park carrying out Grounds and Cleansing activities. We are working with local companies to find the best solution for an Electric Utility vehicle which is also road worthy to take waste to Brunswick Depot.

Remaining fleet

Current vehicle – small box van :

To confirm our current lease company can supply the Renault Kangoo ZE 33 – Business + model at a monthly rate of between £425.00 - £450.00.

This is based on 36 months/10,000 miles per annum and the excess mileage is 12 ppm. Please see below information which may be of some use to you.

Current Ford Transit tipper vans x 6

A like for like electric vehicle is currently not on the market, we are on a waiting list with our current lease company unfortunately many other customers of theirs are also on their waiting list too, Ruth Burgess has met with the rep to discuss the current rolling contract, and they have advised that if we request a new rolling contract until electric vehicles come available they this would be a new contract

	which would be at the new inflated rate, we are currently on a lower rate from when we originally signed the contract (18/04/18)
Financial Considerations	None currently.
Environmental Considerations	Our KPIs are set to ensure that we are following the latest environmental concerns to see where we can improve and help sustain the environment for both the public and local wildlife.
Equality Considerations	
Decision Requested	To receive the update report.

Appendix 1

Streetscape Vehicle Mileage

Quartix

Vehicle	Vehicle usage	Estimated consumption	Mileage this month	CO2 emissions (kg)	Estimated closing mileage
JY18 XXC, Ford Transit - Rob Simon	67.7%	25.0 mpg	237.3 miles	115.8	12317.6 miles
