SOL Theatre School organises and runs an annual two-week summer school starting on the first Monday in August. The summer school takes places in the Daneside Theatre in Congleton. For the two weeks of the project, we take over the entire theatre complex. The aim is for the youth of Congleton and surrounding areas to be involved in rehearsing and producing a fully staged Musical Theatre production presented to a paying audience on the second Friday and Saturday evening.

SOL is primarily arranged by Simon Wain and Louise Carter and a large band of volunteers, and has been running since 2008. Our volunteers help in the making and sourcing of props and costumes, the installing and running of sound and light systems, being chaperones for the cast, rehearsing the songs and routines with the cast and generally helping in any capacity needed to ensure the smooth running of the rehearsals and performances and the well-being of cast members. All volunteers hold valid DBS checks and these are reviewed as necessary.

Project Title:	'Trinity's Big Night Out' (Working Title) Fundraising Concert	
Project Objectives:	To put on a high quality production for the enjoyment and benefit of the local community. To provide an opportunity for our members to participate in and enjoy performing arts at an affordable cost.	
Brief Project Description:	To put on 2 night performances of 'Trinity's Big Night Out'' (Working Title) to entertain the local community and support the Daneside Theatre with their costs by way of hiring. We use our concert as a way to raise funds for our society each year. We sadly had to cancel our April production of 'Into The Woods' as our musical director had to stand down due to personal reasons a month before the show was due to be performed. We suffered a significant financial loss due to this, so our fundraising concert is more important this year than ever.	
Total Cost of Project	2024 Concert costs: £6,813.37	
Total contribution sought:	£2000	
Details of cost breakdown and budgets:	Previous concert costs attached.	
What will the money be spent on?/ Resources needed:	The money will be spent to help cover the cost of sound to ensure a high quality performance and also to help keep our subscription cost low for our members so everyone is able to participate. We currently have the lowest subscription cost for an adult musical society in Congleton and wish to remain this way so in these times of rising costs, no one is excluded from enjoying the arts.	
Any ongoing costs:	Ongoing rehearsal space: £1500	
Details of confirmed match funding, include source Cash/Grant: In kind:	N/A	
Estimated timescale of project from start to finish:	Rehearsals commence in May 2025 and the show will run 12 th – 13 th September 2025	
4: POTENTIAL BENEFITS/ OUTPUTS		
What are the potential benefits/outputs to residents of Congleton	Our shows give the local residents of Congleton an opportunity to attend a high quality amateur show, produced to a professional standard, on their doorstep. Local people love to attend the theatre for entertainment and socialising with friends. The feedback from Congleton residents is always how much they enjoy attending the Daneside Theatre and how professional the shows are at an affordable cost and easy to access. By Trinity AOS putting on a show at the Daneside Theatre, this provides the theatre Trust with vital income,

What type of organisation are you?	Local voluntary branch of National organisation			
Please tell us about your organisation, its aims and the work you undertake. (in less than 200 words)				
Our local branch of the RSPCA works in the Congleton area and takes in animals that have been subjected to both cruelty and neglect. It is our responsibility to make sure these animals are brought back to good health, finding boarding arrangements and advertising both online and in the local press to find them a loving 'forever' home. We also offer a welfare system in the Congleton area where we offer financial support to animal owners who are struggling financially and find that veterinary costs are prohibitive. Also, we have a volunteer who deals with feral cats, traps them in the area, has them neutered and then returned to their natural habitat. We are all volunteers in our branch and have no salaried members. All monies that we receive goes towards the number of animals we can help and the monies we can spend on welfare.

a vibrant, inclusive event that brought together thousands of people to celebrate diversity, equality, and local talent in the heart of our town.
For our organisation, the Main Stage allowed us to deliver a professional, high-impact programme that showcased local performers, guest speakers, and LGBTQ+ voices. This greatly enhanced the quality and visibility of the event, helped us attract wider audiences, and strengthened our reputation as a well-organised and inclusive community group.
For local people, especially those from the LGBTQ+ community, the event fostered a strong sense of belonging and pride. The Main Stage helped create a safe and celebratory environment where people of all ages could come together in solidarity, learn about important issues, and feel seen and supported.
Moreover, the event had a positive knock-on effect for the local economy, drawing visitors into the town centre and increasing footfall for local businesses. The Council's sponsorship helped us deliver a free, accessible event that celebrated Congleton's commitment to inclusivity, making a lasting impact on the social fabric of the town.
