Monitoring form Congleton town council

Wild Salt CIC

Sorry I dont know the grant reference number GR09/2425

Total project cost was £2500 - there were more people than we though attended so ingredients costs were more and we had to buy another portable hob and pan

I sent all receipts through the Serena for the ingredients

£1000 paid for the ingredients

Project information

No profit was made from the project. We used £1500 of money we raised from supper clubs and paid for cooking classes to pay for the equipment and aprons, and some costs for the printing of the ingredients, admin costs.

The project was completed in February 2025

The difference that it made was incredible, it meant we were able to host the cooking classes, without that money we would have not been able to afford the classes. The money was imperative for the ingredients.

We hosted the free cooking classes over 10 people attended each one, understanding the importance of how to create healthy food, how to impart flavour through cheap products such as spices and how to use food to increase mental health. Without the money we would not have been able to host any of these classes. THANK YOU!

The feedback from the clients was incredible, 'this has gift me out of bed', I cant believe you are talking to us about where to buy the ingredients I can never find them' and thank you for giving your time to teach us different recipes that are so quick and easy, I really enjoyed the jars that i just needed to add water to'.

I thanked Congleton town council for the money on instagram and facebook for their generosity!

Yes the pictures and photos have already been used but yes I give permission for them to be used.

Feedback - The town council grant scheme was incredibly straight forward, easy and the most amazing staff on the council team. Dedicated to the residents of Congleton. I sent several emails to Serena and she very kindly spoke to me about how and what receipts could be included. I have found the process and access to the building really amazing, Thanks so much. No improvements for the grant scheme. I applied via email. I understood the process.

Thanks so much

| When did the project commence?   | ct 6   | .7.25      |          |  |  |  |  |  |
| Did you make a profit from the project? Yes No   |  |            |          |  |  |  |  |  |
| All monies received from grants and sponsorship went towards setting up and running the event. Our Branch of the RSPCA made our monies from the charge s made to enter the dog show(£2) and from our tombola,raffle and retail stalls. |  |            |          |  |  |  |  |  |
|  |  |            |          |  |  |  |  |  |

Please explain what difference the project has made to your organisation/local people:

The event was hugely successful with around 300-400 in attendance. We had entries from 223 owners for our dog show. As we are all volunteers in the Branch all monies we received has gone to rehoming and welfare of animals that come into our care. We also provide financial support to local people who may experience difficulty in paying vets fees.

In addition we were able to invite 12 local charities to attend free of charge to showcase their activities.

We also ran educational and fun events for children

#### **RBS Business Reserve**

To keep the balance in RBS Current & reserve accounts to a maximum of £400,000. Balance over this will be transferred on a monthly basis to the CCLA Instant Access Money Market Account. Should the balance go below £400,000 funds will be transferred from CCLA to RBS. Transfers will be delegated to the RFO, or in the absence by the Chief Officer or Deputy Chief Officer and signed in accordance with our Financial Regulations for Bank Payments.

#### Cambridge & Counties

Congleton Town Council has £250,000 with Cambridge and Counties Bank<sup>1</sup> on a 1 year deposit. Until 8<sup>th</sup> December 2025 the interest rate for the 1 Year investment is 4.35%. On renewal on 9<sup>th</sup> December 2025, the balance of £250,000 will be retained. The monies invested in this account are tied in for the year and cannot be accessed.

Within the balance of the CCLA Public Sector Deposit Account, The Council keep £250,000, of its Ear Marked Reserves, due to this the CCLA account should hold a minimum of £250,000, This is an instant access money market account with fluctuating interest rates every day. Although the capital is not at risk of reducing in value, it is possible at a time of very low interest rates, for the interest rate of a CCLA Public Sector Deposit Fund to be negative. As from  $8^{th}$  November 2022 this account is used as a sweeper account for the balance of funds over £400,000 in the RBS Current and Reserve accounts. Suggested Strategy:

- 1. To limit the balance of RBS Current and Reserve account to a maximum of £400,000.
- To retain the balance of £250,000 in Cambridge and Counties 1 year account to £250,000 on 9<sup>th</sup> December 2025
- To <u>continue to</u> use the CCLA instant access money account as a sweeper account, To hold a minimum of £250,000 in this account.
- 4. To renew and reinvest for 12 months of the Cambridge and Counties 1 year investment subject to any three of the five authorised individuals, the Chief Officer, the R.F.O, the Chair, Vice-Chair of Finance and Mayor, being satisfied that the rate on offer is reasonably competitive. In the event that the rate on offer not being

considered to be reasonably competitive, the matured funds to be reinvested at the best rate on offer in the instant access account with the CCLA or R.B.S. and for Council to be provided with a proposal on the best options available to reinvest these matured sums.

**Deleted:** To consider adding a new investment which would run from May to May should funds be available. Council to approve any new investments

# Section 3 – External Auditor's Report and Certificate 2024/25

In respect of

Congleton Town Council- CH0056

1 Respective responsibilities of the auditor and the authority

Our responsibility as auditors to complete a limited assurance review is set out by the National Audit Office (NAO). A limited assurance review is not a full statutory audit, it does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and hence it does not provide the same level of assurance that such an audit would. The UK Government has determined that a lower level of assurance than that provided by a full statutory audit is appropriate for those local public bodies with the lowest levels of spending.

Under a limited assurance review, the auditor is responsible for reviewing Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with NAO Auditor Guidance Note 02 (AGN 02) as issued by the NAO on behalf of the Comptroller and Auditor General. AGN 02 is available from the NAO website - https://www.nac.org.uk/code-auditpractice/quidance-and-information-for-auditors/

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with Proper Practices which:
