DEMENTIA FRIENDLY CONGLETON - FIND OUT MORE & GET INVOLVED

## Keep in Contact

We encourage anyone who knows someone with dementia to keep in contact, whether that's by paying a visit or making regular phone calls. There is so much more to a person than their dementia, and regular contact can do so much to help.

## Become a Dementia Friend

Join the 1000+ people who have attended a Dementia Friends Awareness Session in Congleton. Based on the content designed by the Alzheimer's Society. Contact Diane Ritherdon on 07770 724 932

## Dementia Buddy

If you are worried about a loved one with dementia wandering off and getting lost, apply for a Dementia Buddy. Its an identifiable badge, wrist band, bag tag or key ring which can be scanned with a smart phone which gives contact information for someone able to help the 'lost' person. Thanks to funding from Congleton Lions, people with a CW12 postcode can order an item free of charge direct from **Congleton Lions via email: [congletonlions@gmail.com](mailto:congletonlions@gmail.com)**
